Introduction to Intensive English & Cultural Immersion Programs

Our summer intensive language and cultural immersion programs are designed for pre-university and university students abroad who would like to combine a high quality English language development program with an intercultural experience. Classroom activities integrate listening, reading, speaking and writing skills which help the student to actively apply and improve their language abilities while introducing them to different aspects of Canadian life and culture. Extracurricular activities range from

organized sports, trips to shopping areas, movie theatres or restaurants, where students will have maximum opportunity to practice their English in real-life settings.

Program Features

- preparation for English speaking academic environment
- highly qualified and experienced instructors
- afternoon tutorials taught and facilitated by McMaster English graduate students
- access to university facilities and services
- welcome / farewell ceremonies
- visits to local historic and scenic sites
