

## About McMaster University

Founded in 1887, at McMaster, our purpose is the discovery, communication and preservation of knowledge. In our teaching, research and scholarship, we are committed to creativity, innovation and excellence.

- one of only four Canadian universities ranked among top 100 in the world
  - ranked 90<sup>th</sup> in the Shanghai Jiao Tong Ranking of World Universities 2019
  - ranked 72<sup>nd</sup> in the Times Higher Education World University Rankings 2020
- named Canada's most research-intensive, medical-doctoral university by Research Infosource in 2017 and 2018
- the McMaster Model, a student-centered, problem-based, transdisciplinary approach to learning that has been adopted worldwide
- home of **three Nobel prize-winners**: McMaster Professor Bertram Brockhouse (Physics in 1994), McMaster graduates Myron Scholes (Economics, 1997), Donna Strickland (Physics, 2018)
- top rated programs in: **Business, Engineering, Health Sciences, Humanities, Science, and Social Sciences**

**Michael G. DeGroot School of Medicine**, ranked **23<sup>rd</sup>** in the world (Times Higher Education World University Rankings 2019), is known around the world for its innovative method of small group, problem-based education, with a focus on self-directed, lifelong learning, which is pivotal from the day students enter our schools and throughout their professional careers.

## Intensive English Program with e-Health Focus

This program is designed to provide participants with a strong foundation of English language skills relevant to the healthcare sector as well as introductory academic study on approaches to e-Health. The introduction to e-Health includes discussion of Health Research Methods, Health Policy, Health Economics, Public & Population Health, Health Informatics, Health Technology Assessment and Health Data Mining.

### Program Features

- Lectures by expert faculty from McMaster's School of Business and Faculty of Health Sciences
- Highly qualified and experienced English language instructors
- Access to university facilities and services
- Visit to hospital, historical/recreational places
- Welcome / Farewell ceremonies
- Progress Report and Certificate of Graduation
